# Uplifting Neighbors

Meeting Urgent Needs in Pasco County

## About Uplifting Neighbors

The mission of Uplifting Neighbors is to provide a "hand-up" to our neighbors who reach-out for acute financial support to ensure that their electric and water service is not shut-off or their late rent/ mortgage payments force them to be evicted and become homeless.

In partnership with Pasco County Community Services, Uplifting Neighbors will be able to provide additional resources to meet the increasing demand for assistance. The need is great; in July 2019, Pasco County Human Services was unable to provide resources to 322 requests for rental assistance, 212 requests for electric, and 55 water assistance requests. Uplifting Neighbors, through fundraising events, wonderful sponsors, and generous donors, will be able to help our neighbors by keeping them safely sheltered and avoiding homelessness.
